CATHEDRAL SCHOOL

PRE-PREP

Care

Your child is at our heart. Our pupils feel that they are at the centre of everything we do, because they are. They thrive because they are among friends and in a caring environment. Relationships are based on warmth and encouragement and the children form strong attachments both to the adults who teach, guide and care for them as well as to their peers.

Wonder

The earliest years of a child's life are the most precious. It is a magical time of discovery, awe and excitement and their experiences will shape their future happiness. We aim to foster a life-time's eagerness to learn through a creative curriculum and a wealth of opportunities in a stimulating environment.

Your child at our heart

MYTHICAL
CREATURES
IN FOLK TALES FROM AROUND THE WORLD

Joy

Being with friends, sharing curiosity and excitement, a sense of belonging, discovering the world around us, developing and demonstrating new skills – all these bring joy to children of all ages. Joy is a serious business: it enhances wellbeing and promotes receptiveness to learning.

Discovery

We encourage an eagerness for exploration, both in the classroom and outdoors in our idyllic setting beneath the spire. We recognise the value of connecting with the natural world, so outdoor learning is an integral part of our curriculum. Taking children beyond the classroom gives their minds the freedom to explore.

Friendship

Our close-knit community facilitates strong bonds, which are vital in helping children develop emotionally and socially. Friendships enable children to learn more about themselves and develop their own identity. And inter-personal skills, kindness, self-esteem and self-confidence all flourish within strong friendship groups.

Path to the Prep...

Trust

Building trust is a top priority for all our staff. It is at the foundation of our school and strengthens bonds between us all – trust between teacher and child; trust between staff and families; trust between children. Through trust we are free to take risks, free to try and fail (and learn from our mistakes), free to become ourselves.

Next step!

Prep

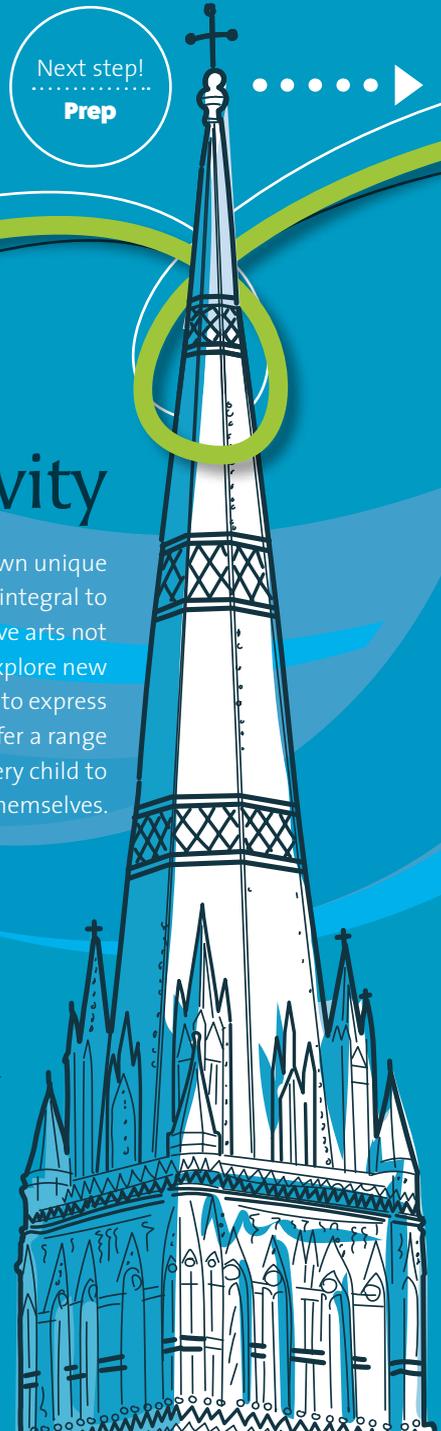

Creativity

Every child is an individual with their own unique personality. Their likes and dislikes are integral to their character. Participation in the creative arts not only gives them the opportunity to explore new activities but also provides the chance to express their feelings in different forms. We offer a range of artistic activity and encourage every child to express themselves.

Accomplishment

We recognise and celebrate individual successes, both large and small. Such recognition has a powerful impact on children, reinforcing resilience and self-esteem, and propels them on to the next challenge. It also creates an environment in which children learn the value of diligence, effort and perseverance.

The wonder of learning
